Community Ed turns 40 this year!

We were born into a world with Harvest Gold appliances in our kitchens, giant shoulder pads on our dresses and Michael Jackson on the radio. Times have changed. But our mission has remained steady: **to serve the emerging needs of our students, their families and the broader community.**

Today, more than 300 employees and over 1,200 volunteers participate in our work—serving thousands of district residents from the moment they are born all the way through adulthood.

We're proud of our 40-year history. And we're excited for what the future holds.

As we enter 2020, we hope you will not only participate in our classes, but also explore all that we have to offer. Check out our circle of services on page 55. Read more about our updated brand on page 45. And register for classes today!

Find out why everybody's talking about Community Ed.

Warmly,

Jenni Ebert

## Dreaming about summer?

Registration for summer classes begins March 1.

Watch for our summer class catalog in your mailbox on March 12.

### NEW Fused Glass Decorative Dishes

Create up to two small décor dishes—one round and one square preferably (approx. 3.5" or smaller). Use your dishes to hold jewelry, dish scrubbers, dipping sauces or as a spoon rest. Choose from a variety of glass colors. Instructors will be available to demonstrate technique, explain the process and help with your design! The glass used is food safe. Due to the fusing cycle, you will have to return to the studio to pick up your piece. This class is for beginners and repeat fused glass participants. (Tracee Eidenschink, Anita Lang, Lynne Courtney, Nancy Bossert)

Monday, April 20  
6:30 p.m. – 9:00 p.m.  
Orono Discovery Center  
\$21

**AGES 14+** (may sign up with registered adult)

**SUPPLY FEE** \$15 (cash/check only, due at first class)

### Fused Glass Garden Decor

Add some flare to your garden with colorful fused glass. Create garden stakes, suncatchers or colorful totems. Due to the firing process, you will have to return to the studio one to two weeks after the class to pick up your project. This class is for beginners and repeat fused glass participants. (Tracee Eidenschink, Anita Lang, Lynne Courtney)

Monday, May 11  
6:30 p.m. – 9:00 p.m.  
Orono Discovery Center  
\$21

**SUPPLY FEE** \$15 (cash/check only, due at first class)

### NEW Fused Glass Night Light

Light up a space in your home with a unique fused glass night light. This piece makes a great gift too! Each light cover is approximately 3" x 4.5" in size. Participants will choose a curved or flat design. Due to the fusing cycle, you will have to return to the studio the following Wednesday evening or make arrangements with the instructor the night of class.

(Tracee Eidenschink, Anita Lang, Lynne Courtney, Nancy Bossert)

Monday, February 24  
6:30 p.m. – 9:00 p.m.  
Orono Discovery Center  
\$21

**SUPPLY FEE** \$15 (cash/check only, due at first class)

### Glass Mosaic Table Lamp or Candle Holder

Using precut glass and some creativity (patterns are available), cover a 4" x 9" or 8" x 8" lamp or 3" x 3" square candle holder with colorful designs. First night is working on your project, having fun, and being creative. Second night is grouting, learning about glass cutting and types of mosaics. (Lindsey Guetter)

Wednesdays, January 22 – January 29  
6:00 p.m. – 9:00 p.m.  
Wayzata Central Middle School  
\$39 (2 classes)

**AGES 14+** (may sign up with registered adult)

**SUPPLY FEE** \$30 (cash/check only, due at first class)

### Folded Book Art

Enjoy an evening of fun to learn the art of book folding. You will learn how to select and read patterns, how to choose the right book, and the techniques for basic book folding. Leave class with a unique piece of art and a new skill. Bring a mechanical pencil and a 30 centimeter (12 inch) ruler with millimeter markings. Books and patterns provided at no additional charge. (Elizabeth Hawley)

Wednesday, April 22  
7:00 p.m. – 9:00 p.m.  
Wayzata Central Middle School  
\$35

### Heart of Glass: Fused Mosaic

A heart of glass personalized for you, and just in time for Valentine's Day! Snip and overlay colorful fused glass pieces to create your mosaic heart (approx. 7" x 7"). The heart can be left flat as a trivet or a hook can be placed for hanging. This class is for beginners or repeat fused glass participants. Due to the fusing cycle, you will have to return to the studio the following Wednesday evening or make arrangements with the instructor the night of class. (Tracee Eidenschink, Anita Lang, Lynne Courtney, Nancy Bossert)

Monday, January 20

\$59 (2 classes)

**AGES 14+** (may sign up with registered adult)

**SUPPLY FEE** \$20 (cash/check only, due at first class)

## NEW Palette Up! Acrylic Pouring 2.0

Come see what the latest craze is about and experience the magical world of fluid acrylics and pouring medium. Version 2.0 brings different tools and techniques than previous classes. No experience required to learn how to create the same beautiful abstract canvases you see on Pinterest. Instead of paint brushes, we will use a variety of tools to create our works of art, including sink strainers, plastic bottles, and pull chains. You will create two paintings on 8" x 8" canvases and a box will be provided to transport them home. (Art Innovators)

Monday, April 20  
7:00 p.m. – 8:30 p.m.  
Wayzata Central Middle School  
\$49

## Palette Up! Alcohol Ink Painting Workshop

Experiment with alcohol inks on Yupo paper. The non-absorbent nature of Yupo means it will not buckle, no matter how much water you put on it, and it makes colors more vibrant and brilliant than on standard papers as all the color sits on the surface. Alcohol inks are pigment-intense and vibrant, free-flowing and filled with an energy all their own. You will leave the workshop with knowledge of a new technique that you can then take home and expand your art interest. (Art Innovators)

Tuesday, March 10

7:00 p.m. – 8:30 p.m.

Wayzata Central Middle School  
\$39

## Pottery Wheel Throwing—Beginners

Learn how to throw bowls, cups and plates as you master the basics of wheel throwing. Come prepared to have fun and get dirty! The instruction and demonstrations will focus on the fundamentals of the pottery wheel, glazing and firing. For the final session of class, participants must attend Clay Open Studio on a Saturday morning or a Wednesday evening to glaze and finish their pieces. You can pick whichever Open Studio visit best fits your schedule. Once you've got the basics down, purchase a punch card and become a regular at Open Studio to continue your projects! (Diane Schwieters)

Thursdays, January 16–February 6  
6:30 p.m. – 8:30 p.m.

Orono Discovery Center

After living the first 33 years of her life thinking she had Spastic Diplegia, a form of Cerebral Palsy, Jean was given a correct diagnosis of Dopa Responsive Dystonia (DRD) and a new life. Jean shares her journey of misdiagnosis and how her sense of purpose, along with a positive attitude, enabled her to survive three decades of unnecessary medical treatments. Through her book, blog and speaking, Jean inspires and motivates others to appreciate the little things in life. **(Jean Abbott)**

### **HOT** Laundry Camp with Patric Richardson

Everyone is talking! Patric Richardson is being called Minnesota's 'Laundry Evangelist' and becoming a household name! Come and relax, and have fun learning with Patric Richardson, laundry guru from Mona Williams. He has had national TV appearances with the *Nightly News* and *Inside Edition*. There have been articles about him in the *Wall Street Journal*, *Star Tribune* plus a local spot on KARE 11. Enjoy his vivid storytelling and Southern drawl as you learn things you thought you always knew but really didn't. You'll be shocked at what you will learn about laundry in 90-minutes. Sort, wash and care for your clothes with confidence. Wash the unwashable and care for textiles and clothes at home. Learn how to save money and toss those chemicals. You will never look at laundry the same again!

### **NEW** The American Automobile: 1915–1942

Do you have a passion for cars? Learn about this transitional era in history, when cars were emerging from a primitive rich man's toy to everyday transportation. We'll cover the classics, innovations we still use, the conversion of the Model T to the Model A, then the V-8, the emergence of the Big 3, the glory years of the '20s into the depression, which spelled the end for so many great nameplates, then into what became the modern car. Imagine a time when half the cars on the road were Fords and a new luxury car could cost as much as five year's wages. (Paul DeJute)

# COMPUTER & TECHNOLOGY

## **NEW** Code Yeti—Exploring Structures with Loads!

(Grades K–3)

Start your kids early on the amazing journey to learn code and more—in a fun way! In a mix of activities, kids are introduced to the exciting world of coding as they program robots, are challenged with fun STEM activities to spark their curiosity, imagination and problem solving skills, and much more! Building structures that resist the test of time and nature is every kid's dream. In this class, you'll put on your Civil Engineer hat as you build a robotic crane, design a lift bridge over a river, challenge yourself to build the tallest tower and more. (Code Experts LLC)

### Speech & Debate and Creative Writing Spring Break Camp (Grades 2–6)

This Speech & Debate camp utilizes students' strong foundational skills of reading and writing to enhance comfort in the domains of educational collaboration and public speaking. Initiating these critical thinking and communication skills from a young age sets students up for both academic and social success in high school and beyond. This camp will help teach students how to respectfully engage in conversation over differing viewpoints with other students. Students will also learn to speak clearly and persuasively in front of a large number of people, and effectively manipulate words to express ideas in a new way. Instructors are supported by high school and college students for more individualization and group work. *Please bring a nut-free lunch and nut-free snack each day.* (Center for Academic Excellence)

Come discover your mind, body, and heart connection. Each class has a kid-friendly, mindful theme that can be used as daily reminders. Classes consist of breathing exercises, physical movement, yoga poses/flows, mindful art, music, and much more! Developing mindful skills at a young age can teach kids calming techniques, coping skills, and to share strengths with others.

# Community Ed updates its look

After a year-long brand review process involving a broad cross section of staff and community members, Community Ed is introducing an updated brand, just in time for its 40th birthday.

Highlights include a stronger logo that celebrates our relationship with the Wayzata Public Schools, simplified language that makes it easier for people to understand our programs and services, and more consistent and integrated communication with our customers.

*In the new logo, below, the name Community Ed sits atop the strong foundation of Wayzata Public Schools. The district laurel, with leaves representing each of the eight communities we serve, gives us a nudge forward, helping us constantly grow and change.*

## Did you know?

Minnesota's community education network was launched in 1972. That year, the Minnesota legislature appropriated funds to establish 67 local community education programs and have them operate through local school districts. Why? To serve emerging community needs. Our program was launched eight years later, in 1980.

## Have you heard?

Community Ed exists to help our E-12 students and our community thrive and be successful in school and life. We do this through our delivery of school-based childcare services and youth and adult classes. We also manage facility rentals, volunteer programming and community partnerships. Additionally, we operate the Wayzata Early Learning School.

# Wayzata Early Learning School moving to new location

## Did you know?

Every child who attends school in Minnesota must have an early childhood screening. We provide the screening for free. When your child turns 3 years old, you can schedule an appointment.

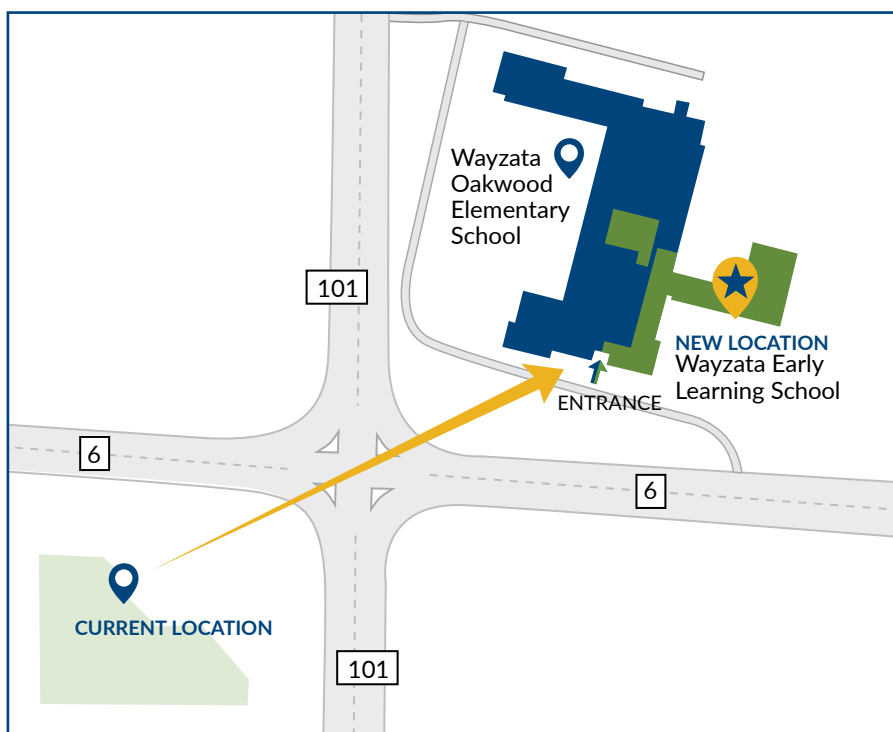

## Have you heard?

In 2017, our Early Learning School established a community outreach team. We partner with organizations like Interfaith Outreach, Hennepin County Libraries, Park Nicollet and apartment community managers to help us connect with families who may be uncomfortable coming to our school, or unable to get here.

Learn more at [wayzataschools.org/earlylearning](http://wayzataschools.org/earlylearning)

This fall, our Early Learning School is moving to a new location, immediately adjacent to Oakwood Elementary School. We'll have more space, more light and more greenspace. The school serves newborns to 5-year-olds and their families with preschool and ECFE (Early Childhood Family Education) classes and important early childhood services—early childhood screening, intervention and outreach.

# You're going to dig our new location!

- Classrooms built just for our early learners
- Flexible common spaces
- Windows and natural light
- A family/stroller-friendly campus, with greenspace and playgrounds
- More room for your children to learn and grow

Custom classrooms with lots of light

# New name. Same great program.

Starting Summer 2020,  
Bright Start & Home Base  
will have one name—  
Wayzata Kids.

## All our kids are Wayzata Kids

As part of Community Ed's rebranding process, we are changing the names of our popular school-based childcare programs, currently Bright Start for 4-year-olds and Home Base for K-5 students. The new name aligns both programs with our school district and simplifies things by giving parents and kids only one name to remember. While the new name is not official until Summer 2020, we are talking about it now to assist with the transition. There will be no change to the programs, only the name.

### Did you know?

*There's a story to our name and logo. The word Wayzata is in our district font to distinguish it from the City of Wayzata because our kids come from eight different cities. The word "kids" is used because it's fun and easy to remember. The three leaves reflect growth.*

### Have you heard?

*Wayzata Kids operates at all nine elementary schools. It provides before- and after-school childcare for elementary school students and for 4-year-olds who are enrolled in full-day preschool. Full-day preschool is also held at the elementary school sites.*

## More than 1,000 youth say “YES” to volunteering

All Wayzata High School students are eligible to join Club Y.E.S. (Youth Extending Service). Incredibly, over 1,000 students make that commitment to our school district and community every year. From running community food drives and school kindness retreats to serving as study buddies and raking lawns for homebound seniors, they make a huge difference in our community. Find the latest Club Y.E.S. news on Twitter @ClubYESWHS.

If you are looking for a volunteer group to help with a project for your organization, contact Brenda Badger, Club Y.E.S. manager, at [brenda.badger@wayzataschools.org](mailto:brenda.badger@wayzataschools.org) or 763-745-6807.

## New auditorium now available for community rentals

---

The renovation of the Wayzata Central Middle School auditorium is finished. Work on the space wrapped up in November, just in time to serve as the venue for the 7th Grade Band Concert. The acoustics and the band received rave reviews. When it is not in use by the district, the beautiful 800-seat theater/concert hall can be rented by the public. Contact facilities manager, Sloan Wallgren, at [sloan.wallgren@wayzataschools.org](mailto:sloan.wallgren@wayzataschools.org).

## We're seeking new partnership opportunities

---

Community Ed has always been committed to working in partnership with organizations and individuals from our community. In the past year, we've made it a priority to enhance existing partnerships and develop new ones. ## Cancellations, Withdrawals & Refunds

We reserve the right to cancel classes due to low enrollment. If that happens, we will notify you via email or phone and your payment will be refunded in full.

If you withdraw from a class at least three business days before start of class, your payment will be refunded in full. If you withdraw at a later date, there are no refunds.

## Cost

Costs vary by class. You can find the class cost and any additional fees by looking at the online course description.

## Discounts

If you are enrolled in **UCare**, you may be eligible for a \$15 discount. Have your UCare ID number ready when registering. **You must register by phone to receive this discount.**

## Financial Assistance

We are committed to offering learning opportunities for everyone in our community. Find the criteria and application form on the youth and adult pages of our website or call 763-745-5200.

## Weather

If school closes during the day due to weather, we will cancel all Community Ed classes and activities. If school is not closed, assume classes are running. Check wayzataschools.org for updates.
