BUSINESS MEETINGS

GET INSPIRED

Our peaceful and inspiring spaces feature cathedral ceilings, natural light and beautiful art. Combine that with our delicious food, creatively prepared with fresh, local ingredients, and you have an environment that inspires creativity and breakthrough thinking.

Whether you are gathering a group of 10 for a day of planning or hosting 200 clients for a theater-style presentation and social hour, our team of experts will customize the space to meet your needs.

From room set up to sound system to food, we've got you covered.

BUSINESS MEETINGS

STRETCH YOURSELF

Moving your body helps activate your mind, and moving with your colleagues helps build camaraderie. We are uniquely situated to lead your group through a gentle stretch break, a mind-body class like yoga or tai chi or something more active like cardio dance or Nia. Our location offers easy access to wonderful biking, running and walking trails.

Snowshoeing and hiking are popular during the winter months. You can even relax in our warm water pool. Our wellness experts are happy to offer suggestions and lead activities to integrate movement and fun into your meeting or retreat.

SOCIAL EVENTS

MIX & MINGLE

Let nature be the backdrop for your next social event. Our expansive deck overlooks a picturesque wetland and natural wildlife habitat. Enjoy views of native plants and gardens, the sound of songbirds and the beauty of a sunset.

Our main floor party rooms open directly onto the deck.

No matter the season, you can be surrounded by the beauty of nature.

From sit down dinners and generous buffets to light appetizers and desserts, we can provide the perfect culinary experience for your guests. Plus, we offer an impressive selection of beers and wines.

WEDDINGS

CELEBRATE IN STYLE

From pre-wedding parties to ceremonies and receptions, brides, grooms and their families and friends love to gather at The Marsh. Our gracious lobby entrance, spacious deck, beautiful view, incredible food and attentive staff provide a relaxed, yet sophisticated environment.

From our first meeting until the last guest departs, we will work side-

by-side to make your day perfect.

Everything from menu to table settings can be customized to your specifications.

Ask about our onsite spa, shop and guest rooms, and the role they can play in enhancing your event.

Our chef-designed catering menu offers a wide variety of options for breakfast, lunch and dinner, and everything in between. All items are prepared on-site, from scratch, using the freshest ingredients, often grown and produced locally.
